Our club

The ACS Student Affiliates section at UST has won Commendable or Honorable Mention status for the last ten years from National ACS. In 2008-09, the Chapter was recognized as Outstanding, in the top 4% of the 900+ Chapters

social events & travel

ACS members are all invited to ACS social events free of charge. ACS members also participate in tours to research or medical labs. Members who have done research may be eligible to present at the National Meeting in Anaheim, CA (Spring '11). Some social and travel highlights plans are:

- Pizza Party with UH, TSU, Rice, HCC Chapters
- 10/10/10 weeklong Events at Rice on 25th anniversary of discovery of "buckyballs"(1996 Nobel prize in Chemistry)
- Tour of local research labs (Huntsman? Nalco?)
- Tour of area graduate schools
- American Chemical Society National Meeting, Anaheim, CA
- Dr. T's Picnic

volunteer opportunities

ACS student affiliates officers are already coordinating many volunteer events for ACS members. These include:

- Events for Summer Science And Math Institute
- National Chemistry Week at the Children's Museum
- Education Rainbow Challenge at an HISD Campus Fall and Spring
- Earth Day Events
- Helms Super Science Saturday

Meet our officers!
