Spaghetti Dinner

Hospitality Apartments

February 25, 2010

The **Hospitality Apartments** have been providing temporary housing for seriously ill patients at the Texas Medical Center in Houston and their families for 40+ years. Stays in the furnished apartments range from two weeks to three months. These apartments are provided by a non-profit organization that includes 22 Church organizations in the Houston area. Support comes from foundations, corporations and individuals. All services are provided by volunteers. The only expense to the guests is a nominal one-time cleaning fee.

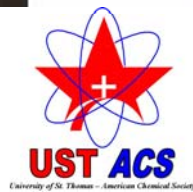

The University of St. Thomas Student Affiliates Chapter of the American Chemical Society sponsored a spaghetti dinner on Thursday evening, February 25 at 6:30 PM.
